+91 8606731178 | nayansaju00@gmail.com

A passionate BCA graduate with strong interest in front-end development. Skilled in HTML, CSS, JavaScript, and responsive design. Committed to creating clean, user-friendly interfaces and continuously improving through hands-on learning and projects.

EXPERIENCE

Worked as a freelance Front-End Developer for 6 months, delivering responsive and user-friendly websites for clients. Gained hands-on experience with HTML, CSS, JavaScript. Collaborated closely with clients to understand their needs and translate them into functional, visually appealing web designs.
